SAMSON™

Premium Reinforced

Our best grade of 3-way reinforced sealing tape for the most demanding applications. Best used for heavy cartons or double wall boxes. This tape is manufactured with heavier grades of paper and with stronger reinforcing fibers. Laminated with non-asphaltic adhesive, this tape sets the standard for reinforced gummed carton sealing tape. Also available in extra-heavy grade for very heavy duty applications.

Most popular sizes

- 3" x 375' 75 ctns/pallet
- 3" x 450' 60 ctns/pallet
- 2.5" x 450' 60 ctns/pallet

NEWPORT™

Standard Reinforced

Our mid-grade of 3-way reinforced sealing tape for less demanding applications. With this product you pick-up economy, ease of application and reliable closure at an *attractive price*. Laminated with non-asphaltic adhesive, this tape is made with lighter paper and reinforcing fibers than our Samson grade. Available in metric sizes as well as English.

Most popular sizes

- 70 mm x 375' 75 ctns/pallet
- 70 mm x 450' 60 ctns/pallet
- 70 mm x 500' 120 ctns/pallet
- 3" x 375' 75 ctns/pallet
- 3" x 450' 60 ctns/pallet

SUPERSEAL

Economy Reinforced

Our economy grade of 3-way reinforced sealing tape for less critical applications. Use for lighter weight boxes while maintaining the security of gummed reinforced carton sealing tape. Laminated with non-asphaltic adhesive, this tape is made with lighter paper and reinforcing fibers than our Newport grade. Available in metric and English dimensions.

Most popular sizes

- 3" x 375'75 ctns/pallet
- 3" x 450'60 ctns/pallet
- 70 mm x 375'75 ctns/pallet
- 70 mm x 450'60 ctns/pallet
- 70 mm x 500'120 ctns/pallet

TUFFTAPE™

Paper Sealing Tape

(NO REINFORCING)

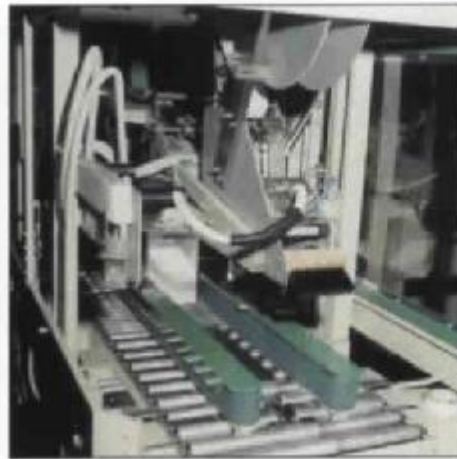

Easy to use Tufftape gummed paper sealing tape adheres quickly and securely. Seals all box seams completely against dirt, dust and vermin. Cartons sealed with paper tape are reusable providing an extra plus for the user. Most popular sizes available in 3 grades.
